

Proceedings of the meeting of 4th Technical Appraisal Committee (TAC) held on 26th April 2024, 10.00 AM onwards under the Chairmanship of Sh. Sunil Verma– HPAS, Joint Secretary – Revenue to the Government of Himachal Pradesh, at NIC-Conference Hall, Armsdale Building, H.P. Secretariat, Shimla, HP.

List of participants is at Annexure A

Decisions of TAC is at Annexure B

1. At the outset, the Dr. Rohit Chauhan (GIS and RS Specialist) welcomed Chairman, Sh. Sunil Verma– HPAS, Joint Secretary – Revenue, to the Government of Himachal Pradesh, the Members of Technical Appraisal Committee (TAC), and the officers of various departments who had joined through physical as well as virtual mode.
2. After that the Chairman discussed the guidelines of State Disaster Mitigation Funds (SDMF) to make clarity to TAC members on SDMF provision and said that at least 10% funds in a year should be earmarked for the non-structural measures and not more than 50% of funds may be utilized to mitigate any single hazard whereas up to 5% of the National Disaster Mitigation Funds (NDMF)/ SDMF, funds may be earmarked for small grants window to support small proposals related to innovation, technology, community leadership, research, studies and learning.
3. He highlighted that the most of Power Point presentations were not aligning well with the Detailed Project Reports (DPRs). The direction was given to ensure that the presentation accurately reflects the content of the DPRs and follows the format outlined in the SDMF Guidelines
4. Further, he informed to Implementing Agencies (IAs) that after get the approval of funding from State Executive Committee (SEC), Implementing Agencies were directed to submit four hard copies and one signed soft copy of the DPR to the District Disaster Management Authorities (DDMAs).
5. He further emphasis on incorporating bioengineering solutions alongside conventional construction solutions. This suggests a shift towards more environmentally friendly and sustainable approaches in project implementation. By highlighting the importance of bioengineering solutions, there's an indication of the need to explore and integrate nature-based techniques into project designs, which can benefits on erosion control, habitat restoration, and overall environmental enhancement.
6. He also directed the Implementing Agencies to familiarize themselves with the SDMF guidelines, as many of them lack clarity on these guidelines. Additionally, he informed that

**Joint Secretary (Revenue)

PPRs should be reviewed by the Project Appraisal Committee (PAC), and after their recommendation, DPR will be evaluated by the TAC members.

7. After suggestions from TAC members, it was decided in the meeting that minor observations related to recommendations made in principle with modifications should be addressed by PMU, and if observations will be resolved by the Implementing Agencies, the proposals shall be considered in the SEC after the approval of higher authority.

At the conclusion of the meeting, Sh. Sunil Verma, Joint Secretary –Revenue expressed his gratitude to all the Technical Appraisal Committee (TAC) members for dedicating their valuable time to the discussions and deliberations during the meeting. His acknowledgment highlights the importance of the TAC members contributions and their commitment to the project's progress and success.

The meeting ended with a vote of thanks.
