ANNEXURES

VOLUME-III

3. Productive Sector

(Phase-I and Phase-II)

(Productive Sector: Agriculture, Horticulture, Animal Husbandry, Fisheries, Tourism)

Overall Summary of Damage and Loss Assessment

The Post Disaster Needs Assessment (PDNA) was conducted to comprehensively evaluate impact of the disaster across three primary sectors: Social, Infrastructure, and Productive sectors with each sector further divided into sub-sectors. The assessment aimed to provide a detailed understanding of the damage, losses, and recovery needs in each area. The overall recovery needs for sectoral damage is estimated to 8665.75 Crore and DRR needs are estimated to 355 crore.

SOCIAL SECTOR

Housing: The disaster caused significant damage to housing infrastructure, with an estimated damage of 2,284.34 crore and a loss of 24.57 crore. The combined damage and loss in this sector amounted to 2,308.91 crore. The recovery estimate for housing was 2,353.65 crore.

Education: Damage in the education sector was estimated at 369.14 crore, with a negligible loss of 0.25 crore, resulting in a combined damage and loss of 369.39 crore. The recovery estimate for education was 369.14 crore.

Health: The health sector incurred damage worth 182.55 crore, along with a loss of 1.09 crore, leading to a combined damage and loss of 183.64 crore. The recovery estimate for health was 182.55 crore.

Community Buildings and Amenities: Damage in this sub-sector amounted to 37.04 crore, with no recorded losses. The recovery estimate for community buildings and amenities was also 38.95 crore.

The total recovery estimate for the Social Sector was 2,944.29 crore.

INFRASTRUCTURE SECTOR

Roads: The disaster had a significant impact on roads, resulting in damage estimated at 1,506.40 crore and a loss of 126.40 crore. The combined damage and loss for roads amounted to 1,632.80 crore. The recovery estimate for roads was 2,458.30 crore.

Drinking Water and Sanitation: Damage in this sub-sector was estimated at 1,849.59 crore, with a substantial loss of 818.72 crore, leading to a combined damage and loss of 2,668.31 crore. The recovery estimate for drinking water and sanitation was 2,228.48 crore.

Power: The power sector incurred damage worth 213.94 crore, along with a loss of 65.62 crore, resulting in a combined damage and loss of 279.56 crore. The recovery estimate for power was 213.94 crore. The total recovery estimate for the Infrastructure Sector was 4,900.72 crore.

PRODUCTIVE SECTOR:

Agriculture: Damage in the agriculture sector was estimated at 7.81 crore, with a substantial loss of 192.20 crore, leading to a combined damage and loss of 200.01 crore. The recovery estimate for agriculture was 200.01 crore.

Horticulture: Damage in horticulture was estimated at 28.39 crore, with a significant loss of 260.81 crore, resulting in a combined damage and loss of 289.20 crore. The recovery estimate for horticulture was 289.20 crore.

Animal Husbandry: Damage in this sub-sector amounted to 17.82 crore, with a loss of 35.58 crore, leading to a combined damage and loss of 53.40 crore. The recovery estimate for animal husbandry was 53.40 crore.

Fisheries: Damage in fisheries was 11.22 crore, with a loss of 4.41 crore, resulting in a combined damage and loss of 15.63 crore. The recovery estimate for fisheries was 15.63 crore.

Tourism: The tourism sector incurred damage worth 43.83 crore, along with a loss of 220.58 crore, leading to a combined damage and loss of 264.41 crore. The recovery estimate for tourism was 264.41 crore. The total recovery estimate for the Productive Sector was 822.65 crore.

Executive Summary Phase-1 and Phase-2 Combined.
