2. In view of above the Himachal Pradesh State Disaster Management Authority (HPSDMA), Government of Himachal Pradesh issues the following advisory for the Departments & general public:

- a) In view of above warning there is high risk of avalanche therefore the respective District Administration/DDMAs are advised to be on high alert and keep a close watch and monitor the situation in their areas regularly and take appropriate precautionary measures.
- b) Keep Search and Rescue teams/QRTs on standby.
- c) Avoid movement on Slopes where avalanche warning has been issued.
- d) Convey bad weather warning to all grass-root functionaries & local residents.
- e) Kindly advise the tourists and local people not to venture in snow bound areas.
- f) Keep a close watch on the National highways and other roads.
- g) Evacuation of unprotected settlements may be planned on/near the avalanche paths.
- h) General Public is advised to keep adequate stock of essential commodities and emergency medicines.
- i) Keep the State Emergency Operations Centre (SEOC) – 1070 informed about any situation in the area and email at sdma-hp@nic.in.

Dated: 03, March 2019
