

**Disaster Management Centre
HP Institute of Public Administration,
Fairlawns, Shimla – 171012.**

The Disaster management Centre was setup in HIPA, to address Disaster Management issues as envisaged and enshrined in the Disaster Management Act-2005. Ever since its inception, the centre has played a catalytic role in building capacity to deal with diverse facets of multi hazards that affects the state every year. The centre has addressed the Disaster Management issues from the Preparedness, Response, Mitigation and Recovery perspective by providing technical assistance for capacity building. After its establishment, this centre is providing trainings on Disaster Management to different stakeholders. Disaster Management Centre, Himachal Pradesh Institution of Public Administration Fairlawns has organized 36 training programme to impart the information regarding Disaster Management to the officer & officials of State Government, representatives of Panchayati Raj Institutions, Urban Local Bodies, NGOs Mahila/Yuvak Mandals and other Public/Pvt. agencies etc., During the financial year 2011-12 this Centre had disseminate knowledge in Disaster Management to 1817 participants covering 123 days by generating 5294 training mandays, against set target of 400 participants covering 100 training days fixed by Government of India. The detail of training Programme is placed at Annexure-A.
