

Disaster Management Centre, HIPA

During the Financial year 2013-14 financial Disaster Management Centre, HIPA has conducted **19** training programme involving **780** participants covering **51** days and by generating **1890** training mandays. The training programmes specifically focused on providing technical support and assistance in conducting trainings for School Safety and construction of earthquake resistance school buildings for different stakeholders and engineers of SSA and RMSA. The Disaster Management Centre has also successfully conducted specialized trainings for Medical Doctors and persons responsible for providing security to the VIPs as well as to the important offices such as Himachal Pradesh Secretariat , H.P. Vidhan Sabha, Directorate of Police etc. The other important achievement has been the linkage with National disaster Response Force located at Bhtinda. The NDRF provided practical demonstration on chemical, radiological, biological and nuclear disaster in the campus at HIPA during course of (CBRN). In association with National Institute of Disaster Management, New Delhi a specialized course was also organized for Engineers & Technical persons of T & CP, I & PH, HPPWD, HPSEB, SSA & RMSA on earthquake resistant constructions in the State of Himachal Pradesh. A programme on Animal Disaster Management was organized with the technical support of NDMA, New Delhi which was first of its kind programme organized in India. As a new initiative training programme on climate change induced disaster and DRR was successfully organized to the different stakeholders of the state of Himachal Pradesh.

OBJECTIVES & FUNCTIONS:-

- ❖ To create awareness & knowledge dissemination in the field of Disaster Management.
- ❖ To develop adequate capacity of all stakeholders for dealing with all facets of disaster management.
- ❖ To improve quick response and recovery process for saving the people of the State.
- ❖ To enhance the efficiency & performance level of the disaster management functionaries.
- ❖ To disseminate information on important concepts, guidelines, and policies issued by National Disaster Management Authority (NDMA), NIDM and State Disaster Management Authority (SDMA) from time to time.
- ❖ To promote Capacity building of Govt. functionaries at all levels for preparedness and mitigations measures in Disaster like situation.
- ❖ To develop a holistic and integrated approach towards disaster management with emphasis on building strategic partnerships with stakeholders and Knowledge institutions at various levels.

- ❖ To establishing a Centre of Excellence for addressing multiple disasters in the state of Himachal Pradesh.

Detail of Programmes Conducted by DMC during the Financial Year, 2013-14

Sr. No.	Name of Course	Date	Total Participants	No. of Training Days	No. of Man Days

	Grand Total		780	51	1890

Outcome of Programmes:

- a. Successfully organized the first ever training programme for creating awareness on the Chemical, Biological, Radiation and Nuclear (CBRN) Disaster. As a result of discussion & deliberations of this programme a team comprising different departments was constituted by Government of Himachal Pradesh for carrying forward the CBRN preparedness in the State.
- b. Successfully organized sensitization & capacity development of Doctors, & Public Health Professionals for dealing with priority needs of victims during emergency situations and mounting an effective, comprehensive and real time response.
- c. Animals being an important resource for the people of H.P plays a vital role in livelihood sustenance and poverty reduction. HIPA in association with NDMA & WSPA was able to provide training in protecting animals in disasters. This was the first ever attempt to disseminate awareness on managements of animals in disasters.
- d. HIPA has been able to establish Linkage & networking with institution like SDMA, NDMA and NIDM.
- e. In order to strengthen the initiatives of SDMA, HIPA organized capacity development programmes for District Functionaries on Updation and Revision of District Disaster Management Plans.
- f. New proposals were evolved for establishing Centre for DRR and adaption against climate induced hazards and establishing alternative mode of communications such as Amateur radio.
- g. Facilitated the development of a pool of first Responders at village level.
