

Disaster Management Centre, Himachal Pradesh Institute of Public Administration Fairlawns, Shimla-12

The State of Himachal Pradesh is also prone to the Landslide hazard, therefore, the DMC, HIPA in collaboration with National Institute of Disaster Management, New Delhi organized a specialized three days course for Engineers & Technical Persons of sectoral departments on “Land Slide Mitigation by Introducing Modern Techniques including Bio- Engineering”. In order to address the requirements of impending disasters, the emergency mechanism in the State of Himachal Pradesh and as per request of Indian Medical association of Himachal Pradesh during the current year three training programmes on Mass Casualty Management & Hospital Preparedness were organized by HIPA. As a new initiative various programmes and workshops on climate change induced disaster, earthquake and disaster risk reduction and management were successfully organized by DMC, HIPA to the different stakeholders of the Himachal Pradesh. During the financial year 2014-15 this Disaster Management Centre, HIPA has conducted **24** training programme by involving **844** participants covering **61** days and by generating **1876** training mandays.

OBJECTIVES & FUNCTIONS:-

- ❖ To create awareness & knowledge dissemination in the field of Disaster Management.
- ❖ To develop adequate capacity of all stakeholders for dealing with all facets of disaster management.
- ❖ To improve quick response and recovery process for saving the people of the State.
- ❖ To enhance the efficiency & performance level of the disaster management functionaries.
- ❖ To disseminate information on important concepts, guidelines, and policies issued by National Disaster Management Authority (NDMA), National Institute of Disaster Management (NIDM) and State Disaster Management Authority (SDMA) from time to time.
- ❖ As per Disaster Management Act-2005 to promote Capacity building of Government functionaries at all levels for preparedness and mitigations measures in Disaster like situation.
- ❖ To develop a holistic and integrated approach towards disaster management with emphasis on building strategic partnerships with stakeholders and Knowledge institutions at various levels.
- ❖ To establishing a “Centre of Excellence” for addressing multiple disasters mitigation and management in the state of Himachal Pradesh.

Detail of Programmes Conducted by DMC, HIPA during the Financial Year, 2014-15

Sr. No.	Name of Course	Date	Total Participants	No. of Training Days	No. of Man Days
1	Training Need Assessment for Stakeholders in Disaster Management and Climate Change Adaptation in Himachal Pradesh	25.04.2014	66	1	66

24	Training of Trainers Programme on Disaster Risk Reduction	19.03.2015 To 21.03.2015	23	3	69
		Grand Total	844	61	1876

Outcome of Training Programmes:

1. A special training programme organized for Engineers of Himachal Pradesh aimed at to enhance their capacity for undertaking mitigation measures using modern techniques including bio-engineering.
2. In order to strengthen the initiatives of the State Disaster Management Authority (SDMA), DMC, HIPA organized capacity development programmes for District Functionaries on Preparation, Updation and Revision of District Disaster Management Plans.
3. Animals being an important resource for the people of Himachal Pradesh which plays a vital role in livelihood sustenance and poverty reduction. The Training programme on Animal care and Disaster Management was organized with the technical support of National Disaster Management Authority & World Society for Protection of Animals, New Delhi. This was the second ever attempt to disseminate awareness on managements of animals in disasters.
4. Successfully organized sensitization & capacity development programmes for Doctors, & Public Health Professionals to deal with priority needs of victims during disasters situations and mounting an effective, comprehensive and real time response.
5. Facilitated the development of a pool of First Responders and Disaster Volunteers at village level who can play a vital role during emergency situation.
6. A Course for developing first responders in undertaking Search, Rescue & Fire Fighting in the event of Natural Calamity was organized at Pooh Block of district Kinnaur.
7. As a special initiative training programme on Gender issues in Disaster Management also organized to the different stakeholders by DMC, HIPA.
