MEMORANDUM REGARDING DAMAGES DUE TO CLOUDBURST, FLASH-FLOODS AND LANDSLIDES DURING MONSOON, 2022.

State Profile

Physical Location:

Himachal Pradesh is predominantly a mountainous State located in North – West India. It shares an international border with China. The State has highly dissected mountain ranges interspersed with deep gorges and valleys. It is also characterized with diverse climate that varies from semi tropical in lower hills, to semi arctic in the cold deserts areas of Spiti and Kinnaur. Altitude ranges from 350 meters to 6975 meters above mean sea level. It is located **between Latitude 30° 22'.40" N to 33° 12'.20" N and Longitude 75° 45'.55" E to 79° 04'.20" E.**

Demography:

Population of Himachal Pradesh is 68.56 lakh persons as per the Census report for the year 2011. 89.01% of the total population inhabits 20,604 villages in the rural areas of the State. These villages are sparsely distributed across the State having population density as low as 1-2 persons per square kilometer in the remote and tribal area of Lahaul & Spiti, Hamirpur district has largest population density of 369 persons per square kilometer as against 123 persons per square kilometer for the whole State. Himachal Pradesh is one of the few states of the country where gender equality is an integral part of the social ethos as well as the overall development strategy. Female literacy is well above the national level and women employment is much higher than in most states of the country.

Administrative Units:

In order to make the functioning smooth, the State is divided into twelve districts which are grouped in three Revenue Divisions i.e. Shimla, Mandi and Kangra. There are 71 Sub Divisions, 106 Tehsil, 63 Sub-Tehsil, 79 Development Blocks and 3226 Panchayats. The State has very effective structure of PRI's comprising 12 Zila Parishads and 78 Panchayat Samitis. There are also 30 Municipal Councils and 23 Nagar Panchayats, besides 7 Cantonment Boards and 2 Municipal Corporation in the State.

Topography:

Topographically, the state can be divided into three zones:

- 1. The Shiwaliks or Outer Himalayas:** It covers the lower hills of Kangra, Hamirpur, Una and Bilaspur, lower parts of Mandi, Solan and Sirmour districts. Within this zone, altitude varies from 350 m to 1500 m.
- 2. Inner Himalayas or mid-mountains:** Altitude varies from 1500 m to 4500 m above mean sea level and includes areas such as the upper parts of Pachhad and Renuka in Sirmour district, Chachiot and Karsog tehsils of Mandi district and upper parts of Churah tehsil of Chamba district.
- 3. Alpine zone or the greater Himalayas:** Has altitude above 4500 m above mean sea level and comprises areas of Kinnaur district, Pangti tehsil of Chamba district and area of Lahaul & Spiti district.

Geology & Geomorphology:

Himachal Pradesh with its complex geological structures presents a complicated topography with intricate mosaic of mountainous ranges, hills and valleys. Composed of recent Alluvium, Shiwalik hills are made up of rocks such as sandstone, shale and clay that came into existence during the Eocene, Miocene and Pliocene period.

The central part that extends from Chamba district in the north to Shimla district in the south is mainly represented by Jatog group of rocks which originated in middle Proterozoic period. In the north eastern portion unclassified Granites borders the

central part in between Kullu, eastern Shimla, Lahaul Spiti and parts of Kinnaur

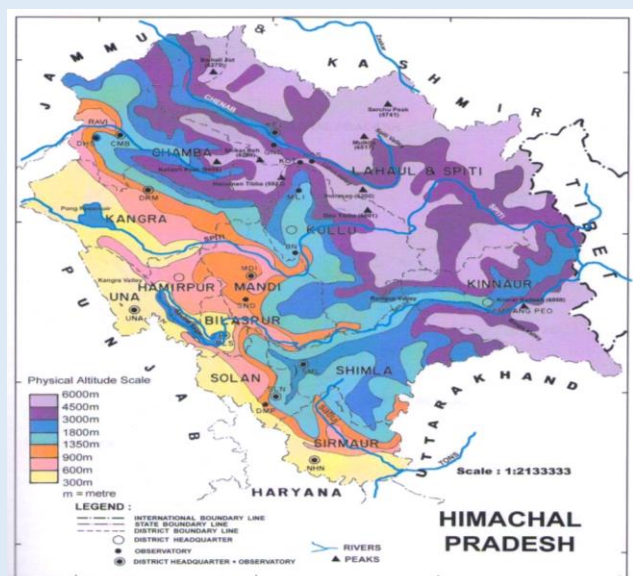

Figure 1.2 Geography of Himachal Pradesh

district. The eastern greater Himalaya presents the Triassic formation which is found in Kaza tehsil of Lahaul Spiti district. The oldest rocks are Granites found at Jeori-Wangtu and Bandel near Largi in Kullu district. These granites date back to a stage of the crust at a time when India was located 8000 Km southwest of its present position.

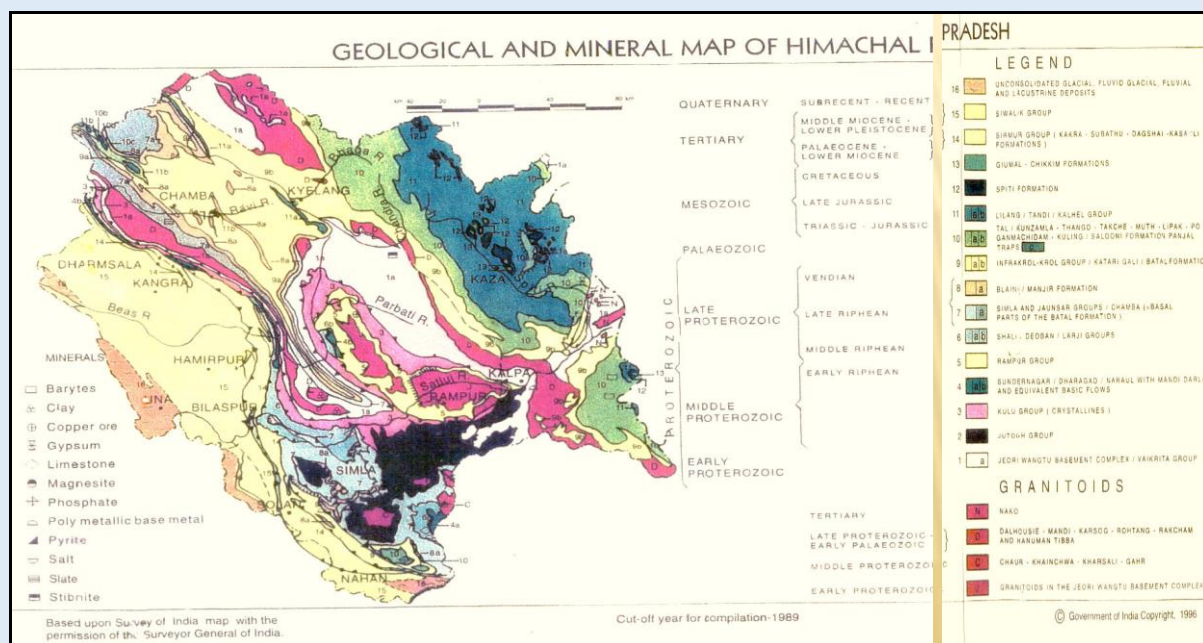

Figure 1.3 Geological and Mineral Map of Himachal Pradesh

Climate:

The climate varies across the state with the altitude. In the southern low tracks between an altitude of 400-900 it is hot sub humid type, between 900-1800m altitude warm & temperate, between 900-2400 m cool & temperate, cold alpine & glacial above 2400-4800 m altitude. Bilaspur, Kangra, Mandi, Sirmour, and Una districts experience sub tropical monsoon, mild and dry winter and hot summer. Shimla district has tropical upland type climate with mild and dry winter and short warm summer. Chamba district experiences, humid subtropical type climate having mild winter, long hot summer and moist all season. Kullu district experience mainly humid subtropical type of climate with mild winter moist all season, long hot summer and marine. During the period from January to February heavy snowfall in higher reaches create conditions for low temperature throughout the state making it unpleasant and dry winter. Disturbances also affect the state.

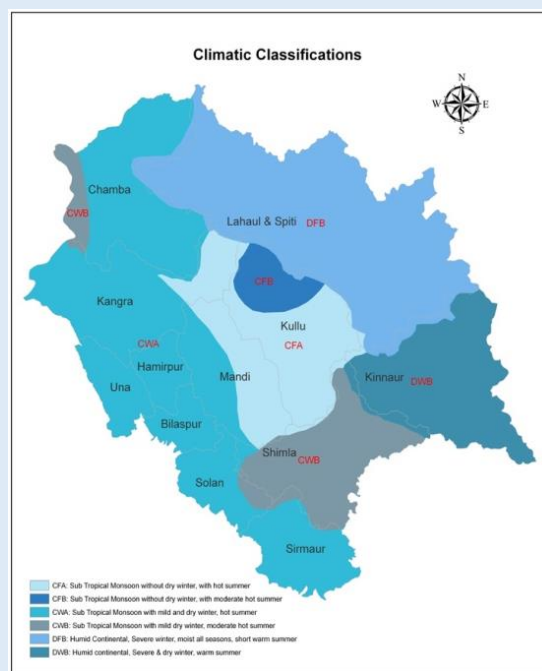

Figure 1.4 Climatic Classifications of Himachal Pradesh

Table 1.3 Climate Pattern of Himachal Pradesh

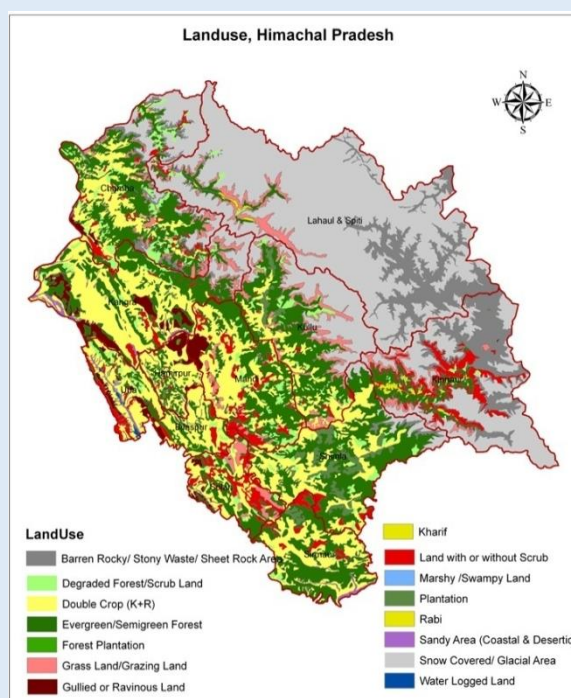

Climate Pattern	Districts
Sub-tropical Monsoon (Cwa type) Mild and dry winter, hot summer	Bilaspur, Kangra, Mandi, Sirmour, Una, Hamirpur, Solan, Chamba
Sub-tropical Monsoon (Cwb type) Mild and dry winter, moderate hot summer	Shimla, Parts of Chamba
Sub-tropical monsoon (Cfa type) Without dry winter with hot summer	Chamba, Major parts of Kullu, Mandi
Sub-tropical monsoon (Cfb type) Without dry winter with moderate hot summer	Minor parts of Kullu
Humid continental (Dwb type) Severe and dry winter, warm summer	Kinnaur
Humid continental (Dfb type) Severe winter moist all seasons, short warm summer	Lahaul & Spiti

Land use:

As per Land use statistics, Ministry of Agriculture (GoI), 2005, about 12.21 percent of the total reporting area of 4547000 ha of the state (out of 5567000 ha. of geographical area) is under cultivation. 24.06 percent under forest. Permanent pastures and other grasslands account for about 33.63 percent, 1.25 percent land under miscellaneous tree crops and groves, 2.73 percent is under the cultivable wasteland, fallow land other than current fallow 0.29 percent, current fallow 1.19 percent and net sown area is 12.21 percent.

Rivers and Catchments:

Five perennial rivers Satluj, Beas, Ravi, Chenab and Yamuna flow through the state. The utility of these rivers though restricted considerably by the rugged and undulating terrain of the State, nevertheless, these rivers possess immense potential for the generation of hydro-electricity. The following river catchment areas fall in the State. Figure 1.5 land use in Himachal Pradesh

Source: HP State Council for Science & Technology and Environment

Table 1.4 River Catchment Areas in Himachal Pradesh

Name of River System	Area of Catchment	Area in percentage
Sutlej	20,398	30.69%
Beas	13,663	24.50%
Chenab	7,850	14.20%
Yamuna	5,872	10.60%
Ravi	5,528	09.90%
Indus	1,450	02.60%
Markanda	360	00.60%
Ganga	290	00.50%
Ghaggar	262	00.50%
TOTAL	55,673	100%

Lakes/Reservoirs:

The state has both manmade and natural water bodies located in different parts of the state for specific purposes viz. irrigation, hydro-electricity, and flood control. Some of the important reservoirs of the state are Govind Sagar, which spreads into the Bilaspur and Una districts, Pong Dam in Kangra, and Pandoh in Mandi District. Chandertal, Renuka and Manimahesh are some the important natural lakes of the state.

Health:

The State has an extensive network of health care institutions. There are 86 hospitals, 2084 Sub- centres, 91 CHC's/RH, 576 PHC's, with available bed capacity of 12527. Similarly, there are 33 Ayurvedic hospitals, 1175 dispensaries/health centres with a bed capacity of 941 available in the state. Besides, there are 3 Ayurvedic Pharmacies and 1 Research Institute. Birth and death rate in the state is 22.1 per 1000 and 7.2 per 1000 respectively (statistical Year Book of H.P.-2017-18).

Roads and Bridges:

As per 207-18 data, the state has total road length of 37131 Kms in which motor able double lane is 2453 km, single lane is 32940 Km, Jeep able 369 Km and less than Jeep able 1396 Km and there are 1365 bridges. About 18156 villages are connected with roads.

SOURCE: Received from State Emergency Operation Centre, Himachal Pradesh

In addition to this large number of medium and small landslides also took place in the State which resulted in huge loss to public and private properties.

Cloudburst recorded during this period:

During this monsoon season a number of cloudbursts were recorded. A total of 14 cloudbursts incident were recorded which are as under:-

Number of Cloudburst incidents		
Sr No	District Name	Total
1.	Bilaspur	01
2.	Chamba	04
3.	Kangra	01
4.	Kullu	05

5.	Kinnaur	02
6.	Mandi	01
Total		14

Source: Received from District Control Rooms

Brief details of Major Events happened in State of Himachal Pradesh:

1. Incessant Rainfall at Bhattiyat (Distt. Chamba):

During 19 to 20th August, 2022 there was incessant rainfall and all rivulets in Sub-Division Bhattiyat were under spate due to cloud burst and flashflood in many areas which were severely affected and large scale losses (Public & Private property) were caused. Many villages were severely affected. Public infrastructure like roads, WSS schemes and power lines were damaged and destroyed.

Area Affected:

The cloud burst mostly affected the areas situated in Gram Panchayat Banet, Jatnoon, Kakroti, Sihunta, Motla, Tundi, Manuta, Chhalara and Nagar Panchayat Chowari.

Immediate Action taken:

Teams were constituted to address incidence under SDM Bhattiyat, Tehsildar Bhattiyat, Tehsildar Sihunta and Naib Tehsildar Kakira as the area where maximum damage was reported were in 9 different axis, a control room was also setup at Sub-division level with number 70183-53619, 70181-75188 to coordinate the relief efforts with local volunteers.

Damage and Loss Report:

Overall in span of two days when all rivers and Nallah were in spate following preliminary assessment of losses was reported as given in table below:

Loss of life, domestic animal, houses and moveable assets:

Sr No.	Description	Total Number	Loss Amount (Rs.)	Immediate Relief Granted (Rs.)

1	Human Death	03	12,00,000/-	30,000/-
2	Animal Death	165	53,40,000/-	
3	Number of House Damage	85	9,93,00,000/-	85,000/-
4	Number of Partially House Damage	207	2,41,45,000/-	
5	No. of Cowshed Damage/destroyed	171	73,52,000/-	
6	No. of Gharat Damage/Destroyed	02	1,80,000/-	
7	No. of Shops Damage/Destroyed	01	3,00,000/-	
8	Vehicle Effected	04	25,00,000/-	
Grand Total			14,03,17,000/-	1,15,000/-

Damage of Public Infrastructure and Agriculture/Horticulture Crops:

Sr No.	Name of Department	Description	Loss Amount (Rs.)
1	HPPWD	No. of Road Affected= 27 No. of Bridge Damage= 01 No. of Pulli Damage= 23	12,50,00,000/-
2	Jal Shakti Vibhag	No. of Schemes Affected=110	4,77,86,000/-
3	HPSEBL	No. of DTR Affected= 56	52,70,000/-
4	Agriculture	5750 Bigha Land + Soil Washed Away	2,05,00,000/-
5	Horticulture	Nursery Plants & Govt. Fruit Nursery, Thulel	4,00,000/-
6	Education (Higher)	2 School	55,000/-
Grand Total			<u>19,90,11,000/-</u>

Total Loss of amounting to **Rs. 32,93,28,000/-** has been reported till date. Assessment of loss to local assets such as village paths, community assets is being done. And updated damage and loss report will be shared in due course of time.

Relief Measures Taken:

1. An immediate relief of amount **Rs. 1,15,000/-** was provided to affected families. Teams are in fields to distribute relief and prepare relief cases.
 2. A team of doctors were also sent alongwith police and fire officials to village Chudana Gram Panchayat Banet where 3 persons were deceased. All immediate medical assistance was provided by them to affected family. Immediate relief was distributed as reported supra.
 3. Food and delivery of essential item is also being ensured.
 4. 45 schemes of Jal Shakti Vibhag were distributed out of which 31 have been restored.
 5. 240 DTR out of total 290 affected have been restored and LT lines will be restored soon.
 6. 22 roads of Bhattiyat area were affected out of which 6 have been opened for traffic. There is large scale damage to road infrastructure.
 7. Agriculture department has been issued direction to help affected farmers.
- The detail of affected villages, families & relief camps established in Sub-Division Bhattiyat is under:-

Sr No.	Village Affected	Panchayat	No. of Families/Population Affected	Relief Measure/Arrangement
Tehsil Sihunta				
1	Nihai	Sihunta	28 Families, 176 People	People have been shifted to Tribal Bhawan sihunta while some people are staying in their relative's house.
2	Dharana	Tundi	4 Families, 20 People	People have been shifted to their relative's houses.
3	Naloh, Ghurdala, Arli	Motla	4 Families, 15 People	
4	Banoli	Tundi	2 Families, 08 People	
5	Naled	Kakroti	37 Families, 150 People	Aprox. 60-70 people shifted to GPS Kakroti and oter shifted to their relative's houses.
6	Bela,	Manhutta	18 Families, 45 People	People have been shifted

	Rupaina			to their relative's houses.
7	Madralla, Samluna	Challara	12 Families, 40 People	People have been shifted to Panchayat Ghar challare and other shifted to their relatives hosues.
Tehsil Bhattiyat				
8	Trimath	Chowari	11 Families, 56 People	Approx. 56 People shifted to Ambedkar bhawan and other shifted to their relative's houses.
9	Jatrron	Jatroon	35 Families, 70 People	People are shifted to their relative's houses.
Grand Total			151 Families, 580 People	

Most of these villages have become inhabitable and special packages may be needed to settle them.

Many road stretched have been completely washed out of damaged and complete restoration will take a lot of time and resources. Same goes for the other public infrastructure.

2. Cloud Burst at Chanaighar Aani-Kullu:

Location: Chanaigar village, Tehsil Nirmand, Sub-division Anni

Date and Time: 28th July 2022

On 28th July 2022 around 5:30 A.M, the village chanaigar was affected by cloud burst under which many houses were damaged and cows were found affected by the incident.

Incident Loss Details

According to sub divisional officer Sh Man Mohan Singh and Patwari Sh Subhash 12 houses were affected by the cloud burst and filled with debris. Further, Sh Dilsukh (Patwari Nirmand) has also provided information about 11 Kuccha Houses being partially damaged and 1 Kuccha House Fully Damaged. 6 People were injured and admitted to the local Hospital for immediate first aid.

Affected people were safety evacuated to Government buildings and were provided with basic amenities by the administration. In total 22 families were affected and estimated damage was Rs. 48.75 lacs.

The incident has also resulted in injury of 2 Castles.

22	Kewal Ram S/O Chainey Ram	1 Kuchha House Partially Damaged	2,50,000
	Total		48,75,000

On 31st July 2022 Kullu district witnessed heavy rainfall in its sub divisions.

HPPWD 6th circle Kullu: Banjar, Kullu Manali, suffered loss of amount Rs 364.00 lacs and HPPWD division Nirmand suffered the loss Rs 10.00 lacs. Thus, the total loss in respect of HPPWD of District Kullu is amounting **Rs 374.00 lacs.**

S.NO.	HPPWD Division/Circle	No. of Roads Blocked	Loss Amount (Rs)
1	Banjar	29	334.00 lacs
2	Kullu	1	0.00 lacs
3	Manali	10	30.00 lacs
4	Nirmand	4	10.00 lacs
	Total		374.00 lacs

The Jal Shakti Vibhag Kullu (JSV) suffered total loss of 327.00 lacs from different divisions viz:

5. Kullu Division: Rs. 161 lacs followed by
6. Katrain Division: Rs 19.00 lacs
7. Anni Division: Rs 40. 40 lacs
8. Larji Division: Rs 106.60 lacs

Schemes					
S No.	Divisions	Water Supply	Irrigation Schemes	Sewerage Schemes	Amount required for

		Schemes			restoration
1.	Kullu	125.80	10.70	24.50	161.00
2.	Katrain	19.00			19.00
3.	Anni	40.40	8.50		4.40
4.	Larji	106.60			106.60
Total		283.3	19.2	24.50	220.4
Grand Total					327.00 lacs

DRDA (District Rural Development Authority): 1 Foot Bridge (Manikaran-Tosh) recorded loss of Rs 05.00 lacs whereas, 2 temporary Foot Bridge (Manali-Bahang) has recorded no loss. Horticulture, Agriculture, Fisheries and Animal Husbandry recorded no loss. Thus, the total loss recorded was 706.00 lacs.

Structural Damage

- The rainfall has resulted in structural loss in which
- 1 Kuccha House has been fully damaged amounting for Rs 0.30 lacs
- 1 Private parking including raw construction material amounting for Rs 06.00 lacs
- There is no loss found in Pucca Houses, Cowsheds, Gharats, Shops and Huts.
- Helipad Manali was partially damaged amounting for Rs 10.00 lacs

Thus, the total structural estimated loss is 16.3 lacs. And, Grand Total of Departmental and Structural loss is 722.3 lacs.

Loss Report-Heavy Rainfall on dated 31 July, 2022 (District Kullu)

3. **215 People stranded in Lahual-Spiti due to flash floods & Landslide rescued:**

215 people, including tourists, who had been stranded at various places between Chhatru and Dorni along the Koksar-Kaza highway in Himachal Pradesh's Lahul-Spiti district following landslides and flash floods on 31st, July, 2022, were rescued in operations carried out till late in the night and later on 1st, August, 2022. While 105 people were rescued from Dorni to Chhatru area on 31st, July late night, 110 more stranded people, including tourists, were rescued from Chhatru on 1st, August, 2022.

Dorni nullah had been repaired and 23 s stranded vehicles evacuated. But, when a police team reaches chhatru, nearly 150 people were found stranded there. While 30 people, mostly drivers, preferred staying there and some returned to Kaza, 110 people were rescued and sent to Manali.

The HRTC buses were requested for the rescue operation. The buses reached near Chhatru, where the road is blocked, at 6 P.M. The rescued people included 56 women and 10 children. A group of 28 foreigner doctors was also maong the rescued people. They have received information that a

Delhi registered car (DL 5 CN-9214) had been stuck in debris and washed away on Sunday. But there was no report of any casualty.

A car, which was occupied by only a driver, was hit by a shooting stone near Chhatru. The driver was safe. The rescue operation, which continued up to 1.30 A.M, was jointly run by the district disaster management authority (DDMA) and Border Roads Organisation (BRO).

4. Flash flood and landslides triggered by incessant rainfall in Himachal Pradesh have caused extensive damage:

In the flash flood and landslides, 15 people have been killed and 8 are missing so far, a couple of bridges including British era chakki Bridge, located along Pathankot-Jogindernar rail line in Kangra district, have also been washed away while over half a dozen roads including Chandigarh-Manali national highway are blocked.

Heavy rains have caused havoc in Himachal Pradesh since 19-08-2022 night. In the flash floods and landslides, 11 cattle have died while 8 are missing. Across state 14 houses, 5 cowsheds, 6 vehicles and couple of bridges have also been damaged while 7 roads are closed.

In Mandi district, 8 member of a family belonging to the Panchayat pradhan Khem Singh were killed at Kashan village under Gohar Sub division after their house collapsed in a landslide and all of them got stuck under the debris. The district administration with the help of police, NDRF and SDRF had launched the rescue operation to save those trapped under the debris. District Administration had also reached at the spot but even lot of efforts family members could not be saved as from the debris only the dead bodies were recovered.

In Mandi district, a flash flood triggered by cloud burst resulted into the death of 2 persons and washing away of 5 houses.

In Hamirpur district, 22 persons were left stranded in the roof top of the building near Beas River at Kheiri village under sujanpur tehsil and all were rescued by the administration.

In the state, 3 persons including a woman were killed in Chamba district after a house located in Banet village of Bhattiyat Tehsil collapsed during landslide incident at around 4.30 A.M. on 20-08-2022.

In Kangra district, a flash flood incident occurred at gagan Khas village at around 6.38 A.M one person was killed while another person killed in a

separate incident of flash flood at Kuthed village of shahpur tehsil at around 8.18 A.M.

In wake of heavy rainfall warning, District Administration Kullu has ordered to close all schools (government and private) including the Anganwadi Centres throughout the district.

Even District Administration Mandi has ordered the closure of all the schools including the Anaganwadi Centres in Mandi District. Dharampur area of Mandi has also been submerged by flooding water. Landslide at Pandoh in Mandi District has also blocked the Chandigarh-Manali national highway-21. In Kangra district, the Chakki rail bridge along at Kandwal in Kangra district along Pathankot-Jogindernagar rail track has also been washed away with this now the reail connectivity has been suspended till the time new bridge is not constructed or old bridge is not repaired.

5. Flash Flood triggered due to cloudburst at Manali (Distt. Kullu):

A flash flood triggered by cloudburst in seri nullah near the south portal of Atal tunnel, Rohtang damaged some machinery. Officials from project Yojak of Border Roads Organisation (BRO) said a contractor was engaged in some civil works close to the Seri nullah when flash flood caused damages to the machines. Three tractors and five other machines, including earth movers, were damaged or buried in the debris. No human loss was reported in the incident. Sources said the contractor was engaged in excavation with heavy machineries here. Besides machines, some damage to the infrastructure was also reported. BRO officials are assessing the loss. As Atal tunnel is situated very far from the nullah, there was no loss of infrastructure of the tunnel and highway. Vehicular movement across the tunnel was normal. However, a wooden footbridge was washed away in the nullah, which is a tributary of Beas River. A bridge connecting Solang village of Manali was swept away by the flooded river, leaving villagers stranded. Villagers said a permanent motorable concrete bridge has been sanctioned for the village more than a decade back but work on the bridge had stopped a long back.

6. Heavy rain triggers falsh floods at Sangla valley in Kinnaur district near China Border:-

The flashflood damaged the road in the vaillage besides crops in adjoining fields. It's rare that a flashflood occurs in the cold desert region that receives scanty rain. Flashfloods in cold desert areas are rare. Fortunately, the flooding did not cause any damage to life, on 18-07-2022. There are reports that a few houses were damaged and four vehicles are stuck in the debris. The flashflood also damaged farm land, a footbridge and the cremation ground at Chango, another village on the China border. No loss of life was reported. Rain triggered floods in Kinnaur's Malling Nullah, damaging the strategic road connecting Reckong Peo to Kaza in Spiti valley.

7. Flash flood incident occurred in Chamba district:

Heavy rains and subsequent landslides have thrown normal life completely out of gear in Himachal Pradesh with reports of three people feared drowned in Chamba district after a flash flood. Three villagers are missing while eight foot bridges, six watermills and one cowshed washed away in a flashflood in the Dharedi and Khodi villages of Chamba district on Sunday afternoon. According to information provided by the district emergency operation centre (DEOC) Chamba, those missing have been identified as Roshan Lal of Khodi village, Konata Devi and Surender both of Dharedi village. Flashflood swept the villages around 3pm.

8. Landslide incident at Sirmour district:

Five members of a family were killed while another was seriously injured after their house collapsed due to landslide following heavy rainfall at Khijwari village under Raast Panchayat in Ronhat area in Sirmour district during wee hours on Monday. Apple orchards in Koti panchatyat of Ronhat area have also suffered extensive damage due to landslides and heavy rains. Chief Minister Jai Ram Thakur has condoled the deaths. He said the state government has directed the district administration to provide relief to the affected people. He said that every possible assistance would be provided to affected people. DDMA said that incident occurred during the wee hours on 25-09-2022 when the house collapsed all of a sudden due to landslide. Rescue team could safely pull only one injured out of debris while the bodies of five others were retrieved from the debris. At the time of incident, family of Pradeep Kumar was sleeping inside the house. Pradeep Kumar is seriously injured in the incident and is admitted at the hospital for treatment. Those

killed have been identified as his wife Mamta (27), his daughters- Ishita (8), Aerang (2) and Alisha (6) and his niece Ankisha (7) died on the spot.

Ramesh Singta, a resident of Koti Bounch panchayat said that landslide and heavy rain have also caused extensive damage to apple plantation in Koti area. Traffic has also come to a complete standstill due to the collapse of the road near Debarghat on Padiadhar-Sangrah road. The road repair is likely to take some time and till then people going towards the district headquarters and development block Sangrah will have to travel over 81kms via Haripurdhar or via Shivpur Sainj routes.

In addition to brief details of many events of landslide, flashflood, cloudburst, Fire, Drowning, Vehicle Accident's, & other incidents are available at **Annexure-A**.

Removal of Debris from incident sites, Search and Rescue, Relief Camps, Local task force deployment and NDRF/SDRF deployment etc. have been assessed tune of amount **Rs. 256.86 Crore(Approx.)**.

Preparatory measures taken to prevent/reduce losses from disasters during this period:

- The State government was well prepared for monsoons, and a video-conference with all the DCs was held on 16th of June, 2022 under the Chairmanship of Principal Secretary (Revenue).
- State hade released funds under SDRF to Deputy Commissioners and Line Departments to tune of Rs. 234.8083 Crore (Rs. 233.8083 allocated through treasury + Rs. 1.00 Crore through Bank Account to DC Kullu) in different heads (Copy enclosed).
- QRTs were constituted for search and rescue in districts.
- The State machinery was fully activated, and relief and restoration work was carried out round the clock. The situation in all the twelve districts was monitored constantly.
- The DEOCs were monitoring and reporting incidents/losses and damages regularly and the State EOC generated cumulative loss reports on daily basis.

- As a preparatory measure the NDRF was prepositioned at Mandi and Nurpur (Kangra).
- The services of NDRF were availed at Rampur, Shimla, Baddi, Nalagarh, and Sirmaur.
- Large number of machinery was deployed to clear the roads.
- In Tehemerge Challenge Project, We have provided 3 Life buoys for Mandi, Kangra and Bilaspur district for Search and Rescue. One Drone provided to District Mandi for aerial survey.
- Essential services like electricity and water were restored wherever damages had taken place.
- Early warnings were disseminated regularly as and when received from IMD and CWC.
- State has provided 23 Nos. Landslide sensors for Sirmour, Mandi, Kangra and Kinnuar District for Landslide Monitoring.
- Search and Rescue (SAR) operations were executed promptly.
- Do's and Don'ts were broadcasted through AIR, TV, Print and Other electronic media.

On account of the widespread damages and loss across the State, the Hon'ble Chief Minister of Himachal Pradesh, Sh. Jai Ram Thakur held a video conference with all the DCs on 20th of August, 2022.

Extent of damages:

The damages are detailed here under:

- 1. Human lives lost:** During this monsoon season 418 peoples lost their lives due to flash floods, landslides, lightning, fire and cloudbursts. Ex-gratia payment @ Rs.4.00 Lacs per head in this regard has been assessed at Rs. 16.72 Cr. 220 people also died due to various other reasons in this period directly or indirectly related to monsoon as the same has been notified as State Specific Disaster and ex-gratia payment @ Rs. 4.00 lacs is being released by the State Government under SDRF. Total loss on this account has been assessed to tune of **Rs. 16.72 Crore. (Annexure-I)**
- 2. Animals Husbandry :** A Total 966 animals died; which includes sheep, goats, cows, horses and buffaloes in a major incident of Flash Flood, that happened at Shimla. In district. Other infrastructure related to animal husbandry suffered a loss of Rs. 0.15 Crore. In this season, the loss has been assessed as **Rs. 0.72 Crore.**

Sr. No.	Details	Amount(In lakhs)
1.	Buffalo-21	6.30
2.	Ox-83	20.75
3.	Mule-9	2.25
4.	Horse-2	0.50
5.	Calf-19	3.04
6.	Sheep-592	17.76
7.	Goat-214	6.42
Total		57.02

- 3. Structures damaged:** Due to the current disaster, a number of houses and others assets suffered moderate to severe damages. The details are as under:-

- Fully damaged Kaccha and Pucca houses – **261**
- Partially damaged Kaccha & Pucca houses - **1168**

• Cowshed, gharats, shops and labor sheds	–	1358
Total	-	2787
Loss on this account has been assessed as		Rs. 30.29 Cr.
		(Annexure-II)

4. Damage to roads:

Roads are life lines of the State as there are virtually negligible modes of alternate transport. The economy of State which comprises mainly tourism and horticulture is highly dependent upon road infrastructure. Himachal Pradesh has vast network of roads, which comprises 40000 km. of State Roads and 3017 km. of National Highways. The monsoon season has played havoc with road infrastructure this year. Extensive damages to the roads have been inflicted by way of landslides, damages to the various structures like Retaining walls, Breast walls, Cross drainage works, Bridges, besides heavy damage to the pavement/riding surface. It is mainly attributed to the mountainous/steep terrain and fragile Geological strata in most part of the State triggering landslides. The climate change/global warming has resulted in non uniform distribution of rains with very high intensity rainfall in localized areas thus, aggravating the extent of damages to road infrastructure. As a result, a number of road stretches, culverts and other structures have been washed away especially in Districts of Chamba, Kullu, Shimla, Kinnaur & Bilaspur. The department has deployed adequate number of various types of machinery including excavators, tippers, dozers and manpower as per requirement to restore the traffic in shortest possible time to provide relief to the general public at large. Nearly 23905 km of road length has been adversely affected. Due to flash flood and landslide, the PWD Infrastructure i.e. Roads, Bridges and culverts have been severely damaged during the current Monsoon season. The total losses on this account have been assessed as **Rs. 1013.52.Crore (Annexure-III)**. The damaged road infrastructure has been restored immediately with the help of Government and private machinery in order to avoid inconvenience to public. The permanent restoration work is still in progress.

5. Damage to Irrigation and water supply schemes:

Irrigation & Public Health Department is maintaining 9526 Water Supply, 2669 Irrigation, 97 Urban and 33 sewerage schemes in Rural and Urban areas of the State, The department is also protecting the flood prone areas to save culturable land, public and private property by providing flood protection measures in the shape of embankments, spurs and wire crates etc.

Heavy rain fall in various parts of the State during the period 29-06-2022 to 28-09-2022 heavy loss to the Schemes of Jal Shakti Department in the State has been reported. Heavy rains have led to huge damages to the Water Supply, Irrigation, Sewerage and Flood Control works of the Department. A majority of water supply and irrigation schemes have sources in Khuds/ Nallah/ Rivers below high flood level. At many places heavy rains and cloud bursts triggered landslides and washed the Jal Shakti Department schemes and other common assets.

During the period from 29th June, 2022 to 28th September, 2022 approximately total 16322 schemes (9854 instances of damages in Urban & Rural Water supply schemes, 2189 instances of damages in Irrigation, 112 instances of damages in sewerage schemes and 177 Flood Protection works) were damaged and total loss in terms of money has been estimated as Rs. 967.18 Crore.

In many places flash flood water entered in the campus of pump houses resulting in silting of pump houses, Treatment plants, pumping machinery etc. In some places Gravity Mains/Rising mains have also been washed away/damaged due to landslides This necessitated repair/cleaning of pumping machinery, cleaning /de-silting of Pump Houses & other structures.

Being essential service first priority has been given to restore Water Supply and Sewerage Schemes in a time bound manner and all damaged water supply and sewerage schemes have been restored temporarily out of the available resources of the department. Pipes damaged due to heavy rains/ landslides have been replaced out of

pipes available in the departmental stores which were procured for on-going schemes.

In order to repair /restore the damaged Water Supply and Sewerage Schemes a sum of approximately Rs.150.00 crore has been spent out of the funds available for Operation and Maintenance of schemes/Capital Works for the year 2022-23 and so far a liability of approximately Rs.175.00 Crores is outstanding.

Following schemes of JSV were significantly affected, due to the current disaster. The damage recorded is given below:

- Urban Water Supply – **247 Nos.**
- Rural Water Supply – **12756 Nos.**
- Irrigation schemes- **2922 Nos.**
- Sewerage -**174 Nos.**

Total loss has been estimated till date as **Rs. 967.18 Crore.**
(Annexure-IV)

6. Damage to Agriculture Crops:

Himachal Pradesh is a relatively small state in area and population and is geographically different from most Indian states in the plains. The State lies between 30°22'40" and 33°12' 20" north latitude and 75°45' 55" and 79°04'20" east longitude. Himachal Pradesh has relatively abundant water resources from major five river systems, mostly originating from glaciers. The five major river basins cover around 90% of the geographical area. The surface water resources of these river systems are perennial, originating from glaciers, and the flow is further augmented by run-off from the downstream catchments. Most glaciers are small in size with length of 2-25 km and accumulation zone of 2-4 sq km. Due to the adverse effect of global warming phenomenon, constant recession phenomenon is recently hastening in these glaciers.

Climate and Agro-ecological Zones

Climatically, Himachal Pradesh is different from most plain states in India. In the State, three seasons such as winter season (October to February), Summer season (March to June) and Monsoon

season (July to September) are there. However, due to wide range in altitude, the climate of the State varies from sub-humid tropical (Elevation 350-1000 m) in the southern low tracts, warm and temperate (Elevation 1001-1,500 m), cool and temperate (Elevation 1,501-2,500 m), and cold alpine and glacial (Elevation 2,501- 6,975 m) in the northern and eastern mountain ranges.

Damage caused to Agricultural crops of Kharif, 2022 season due to heavy rainfall:

During this monsoon period the percent departure of rainfall as per reports of Metrological Center Shimla is-3% up to 28th September, 2022 below the normal rainfall in the state which indicates the Normal rainfall. About 20% of area is sown in the month of April-May whereas 80% of area is sown in the month of June which is a peak Kharif sowing period. Due to normal rains in most part of the state, the sowing could almost be done on time. However, during the month of Aug, 2022, there was heavy rainfall in some pockets of the state and standing Kharif crops particularly Maize & Vegetables crops were affected and Agriculture land was also washed away. As per assessment, the total area of 6,808 Hectares was damaged and 294 Hectare land was washed away. The total damage including Crops, agriculture land, in terms of money value has been assessed around **Rs. 72.22 Crore and 1.10 Crore of Land Loss**. District-wise information is as under:

District	Total Agriculture Area affected in Ha.	Total Losses Rs. In Lakhs
Chamba	2290	2142.88
Hamirpur	603	484.82
Kangra	2205	2137.18
Kinnaur	189	172.5
Kullu	222	187.65
L/Spiti	978	328.17
Mandi	691	339.13
Sirmour	1830	1539.98
Total	9008	7332.31

Total Loss of Till date **Rs. 73.32 Crore**

(Annexure –V)

7. Damage to Horticultural Crops:

Horticulture is an important sector of economic development in the State, which is contributing around 5000 crore towards States economy. It has a capacity to generate more income and employment per unit area. Fruit crops occupy about 2.29 lakh Ha area in the State. Apple, Mango, Citrus and other stone fruits are major fruit crops grown in the State and constitute about 83 % of total fruit production. Apple is the dominating fruit crop of the State occupying about 48% of the total area under fruits & about 76.50 % of the total production and the State earned its name as “Apple State of India” is marching forward as “Fruit bowl of India”. About 5 lac families are directly or indirectly involved in the Horticulture primarily fruit production & its allied activities viz Bee Keeping, Mushroom production, Floriculture and Fruit processing. State economy is likely to shoot up in a big way as far as Horticulture industry is concerned with the launching of World Bank-aided-HP Horticulture Development Project and Asian Development Bank aided HP Sub-Tropical Development Project worth Rs. 1134.00 crore and Rs. 1688.0 crore respectively in which specific emphasis is to be given for High Density Plantation of various crops, creation of ample water resources through available means & strengthening of infrastructure facilities which are considered to be vital for promotion of horticulture in the entire State.

During the past couple of years, the State is witnessing natural fury/ calamities at intermittent intervals particularly losses being inflicted during the monsoon season resulting thereby the fluctuating production and productivity of fruit crops. Major losses generally inflicted during the monsoon season are losses in the form of mortality of young nursery plants due to constant water stagnation, partial damage to the twigs of fruit trees, landslides in various areas, quantitative and qualitative losses. Qualitative losses are more oftenly high due to appearance of various diseases in general as due to excessive rains diseases spread in alarming proportion thereby affecting the marketing of the produce. Size and

colour of developing fruits is also affected greatly if rains are torrential.

During the current disaster losses to fruit crops to the tune of **Rs. 3.63 Crores** and land washed away **Rs. 1.55 Cr.** as per the norms of GOI were occurred. Similarly, the actual losses to fruit crops during rainy season were **Rs. 5.18 Crores** **(Annexure - VI)**

8. Damage to Electricity Infrastructure: During the monsoon in the State, heavy damages to electrical infrastructure occurred and as intimated by the field units of HPSEBL the losses / damages have been worked out to the tune of **Rs 36.35 Core** **(Annexure-VII)**

9. Education:

During this current disaster 2 number of Govt. primary School buildings was damaged and 51 Nos. Govt. Senior Secondary was damaged. The total loss on this account has been assessed as **Rs. 8.96 Crore** **(Annexure-VIII)**

10. Urban Development: In this monsoon season there have been significant damages to the infrastructure of the Urban Development department. The total loss on this account has been assessed as **Rs 32.83 Crore.** **(Annexure-IX)**

11. Rural Development: A lot of infrastructre like panchayat ghars, Mahila Mandal Bhawans, Community Centers etc. of the Rural Development Department have sustained heavy damages during the current disaster. The total loss on this account has been assessed as **Rs 73.80 Crore** **(Annexure-X)**

Cumulative losses – Rs. 2516.82 Crores

Summary of the total requirement of funds under NDRF

Sr No.	Items/Sectors	Amount required (Rs. In Crore)
1.	Gratuitous Relief (GR) Natural Calamity -418	16.72
2.	Search & Rescue operations, Relief Camps, Removal of Debris & etc.	256.86
3	Relief measures (for relief camps)- 12 Nos.	-

District Wise Detail of Landslide Events (I.e. 29th June, 2022 to Till Date)

Sr. No	Name of District	Date	Details of Landslide Incidents	Major Loss
1.	Bilaspur	12.08.2022	DEOC Bilaspur informed that an incident of landslide occurred at Sihra Tehsil Sadar due to which 01 Link road blocked & a Pickup No. HP -12F-2827 got buried in the rubble due to landslide	Vehicle Damaged:01
		31.07.2022	DEOC Bilaspur informed an incident of Landslide at Near Santoshi Mata Temple, Tesil Sharghat and District Bilaspur, in that incident road blocked for heavy vehicle.	
		24.07.2022. 1.30 AM	DEOC Bilaspur informed an incident of landslide had occurred at Vill. Dharat, GP Kuh Majhwad, Tehsil Ghumarwin, District Bilaspur. Due to this incident one cowshed damage, two buffalo and 12 goats' loss reported in this incident.	Buffalo Loss :-02 Goats Loss :-12 Cowshed:-01
		16-07-2022 10.30 PM	DEOC Bilaspur informed an incident of landslide at Nouni and Kaller Tehsil Sadar on NH 21 road, due to which the road had been made one way and debris was removed from the road by District Administration (HPPWD).	
		15.07.2022	CRM (Case record manager) 112, informed that a Landslide had occurred at JNV School Kothipura in district Bilaspur. The road is not blocked and vehicular activities are going through.	
		06.07.2022 01.00PM	DEOC Bilaspur informed an incident of landslide in the Link road near Glory Public School, Tehsil Sadar, Bilaspur in which road had been blocked.	Road Closed:-01
2.	Chamba	24.08.2022 12.55AM	CRM (Case record manager) 112, informed that a Landslide reported at Nearby sihunta dhraman road district chamba. No Loss of life reported in the incident.	

		20-08-2022, 04:30AM	DEOC Chamba informed an incident of landslide at Village Banet, Muhal Chudana Tehsil Bhattiyat District Chamba, In the incident a house has collapsed in which 03 Persons died. Detail of the deceased person 1) Chamaru S/o Sh. Dharmu 2) Ajay S/o Chamaru 3) Meena Devi W/o Chamaru	Human loss :- 03
		20-08-2022, 04:30AM	An incident of landslide occurred at Village Kuddi Hobar, Tehsil Chowari District Chamba. In the incident a house has collapsed	House -01
		20.08.2022 Early Morning	An incident of landslide occurred at Village Alli Muhal Naloh Tehsil Sihunta Bhattiyat Chamba. In the Incident 1 kaccha house and 1 cowshed has collapsed due to this incident one cow and a calf died.	House -01 Cowshed-01 Cattle Loss- 02
		20.08.2022 Early Morning	An incident of landslide occurred at Village Alli Muhal Naloh Tehsil Sihunta Bhattiyat Chamba. In the incident 01 Kaccha house and one cowshed has collapsed. Due to this incident 07 sheep are died.	House-01 Cowshed-01 Cattle Loss-07
		19.08.2022	An incident of landslide occurred at Malakbaar place lahdu Tehsli Bhattiyat District Chamba. Due to this incident road had been blocked.	Road Closed:-01
		19.08.2022	An incident of landslide occurred at Village Naloh Tehsil Sihunta District Chamba. In the incident which 02 houses, 02 cowshed damaged and 1 Cow,1 Calf, 7 Sheep's are also buried under debris	House damaged:- 02 Cowshed damaged:-02 Animal Loss:- 09
		15.08.2022	CRM (Case record manager) 112, informed that an incident of landslide occurred at Manjuri nearby gharatnala chamba on the way to manimahesh. Due to this incident approx. 100 vehicles are stuck.	
		08.08.2022	DEOC Chamba informed an incident of Landslide at village bhdoga, District Chamba. Due to this incident one person died due to buried under debris.	Human Loss:-01
		02.08.2022 07.00PM	DEOC Chamba informed about the incident of Landslide reported near Koti-Bridge Sub-Division Salooni District Chamba, Due to which Bhaleyi-Koti road had been blocked.	
3.	Kangra	20-08-2022, 04:05AM	An incident of landslide occurred at Near Shivanagr Teh Jaisinghpur Distt Kangra. In the incident road has been blocked due to landslide.	Road Closed:-01
		20.08.2022 10.12AM	An incident of landslide occurred at Near Bypass Salwadi, Kangra In this incident Danger to the pull near bypass Salwadi Kangra.	
		19.08.2022 05.27 AM	An incident of landslide occurred at Mecdlodganj, jogibada, khada danda road. Due to this incident khada danda road has damaged to approx. 10 mtrs along with sewerage pipelines & also LT of HPSEBL. There is possible threat to two buildings where stone could fall on the building and the residents of the buildings are shifted to safer place.	Road Closed:-01

		18-07-2022 09.07 PM	<p>DEOC Kangra informed an incident of Landslide at Kangra (Flour Mill) Police Station Kangra District Kangra, in which 08 persons got minor injuries, Injured persons were shifted to the Tanda Medical Collage for treatment.</p> <p>Details of Injured Persons:-</p> <ol style="list-style-type: none"> 1. Amant

(B)

Name of Department	Budget head	Amount (Rs. in crore)	
HPPWD through Engineer-in- Chief HPPWD	2245-02-106-01- SOON-NP(OC) (road & bridges)	47.60	Total Rs.51.10 Crore
	05-2245-02-193-01-S00N-NP(OC) Assistance to Local Bodies and other Non-Govt Bodies/ Inst.	3.50	
Jal Shakti Vibhag Through Engineer-in- Chief Jal Shakti	2245-02-102-01- SOON-NP(OC) (Drinking Water Supply)	0.50	Total Rs.25.50 Crore
	2245-02-109-01- SOON-NP(OC) (repair & restoration of damaged Water Supply Schemes)	25.00	
Disaster Management Cell	05-2245-80-102-05-S00N-NP(OC) Capacity Building		Rs. 23.80 Crore
	Total		Rs. 100.40 Crore

Grand Total (A)=Rs. 91,50,00,000/- +(B)=Rs. 1,00,40,00,000/- = Rs. 1,91,90,00,000/- only.

The expenditure of Rs. 1,46,99,17,000/- (Rs. One Hundred Forty Six Crore Ninety Nine Lakh Seventeen Thousand) only from Major Head 2245 to 8121 out of the SDRF, 2022-23 being diverted now is to be debited under Demand No. 5 (Land Revenue), Major Head-2245-05-Calamity Relief Fund-101- transfer to reserve fund and deposit account-transfer to State Disaster response funds-01-SOON-20- Other Charges (Non-Plan) during the year, 2022-23.

The actual expenditure on relief works will be booked under respective minor heads within Major Head 2245 to be mentioned at the time of formal sanction for allocation to be issued in due course i.e. (01 for drought; 02 for floods, cyclones etc; 05 for "State Disaster Response Fund" and 80 for General).

The expenditure to be charged to the SDRF will be shown as a negative entry under 2245-05-901-deduct amount met from SDRF for relief expenditure.

It is further ordered that direct expenditure should not be made from the Public account, even if for some administrative reasons expenditure on immediate relief has been met under heads of account other than MH -2245, these should be finally booked under MH-2245 through inter-account transfers.

It may also be ensured that the funds sanctioned above are utilized for the purpose for which these are sanctioned strictly in accordance with the norms of H.P. Emergency Relief Manual & as per revised norms fixed by Govt. of India vide letter No. 32-7/2014-NDM-I dated 30th July, 2015 letter No.33-4/2020-NDM-I 14th March, 2020 (www.ndmindia.nic.in) booked in the newly created sub minor heads mentioned above. Any expenditure beyond norms will be personal responsibility of sanctioning authorities. It may be ensured that the works are sanctioned only through Jan Samiksha software.

The funds are being released based on the demand of the districts and therefore no surrendered/ re-appropriation will be allowed.

All concerned are requested to send the Utilization Certificate of above amount to this Department at the earliest. **The expenditure shall also be entered by all**

the Districts and Departments in NDMIS software of Ministry of Home Affairs, Government of India, failing which no allocation of funds will be made in future,

In addition to this you are also requested to withdraw the funds from Government Treasury only when required for immediate disbursal and pay the same directly to the bank account of beneficiary, without any parking into your Government bank account.
